

WHALE WATCHING TOURS

IN NORTHERN NORWAY

Experience one of the Arctic's most unforgettable wildlife encounters with a whale watching tour in Northern Norway. Each winter, humpback whales and orcas gather in the northern fjords to feed, creating exceptional viewing opportunities close to shore. During summer, whale watching continues in destinations such as Andenes. Join expert guides and witness these magnificent marine mammals in some of the world's most spectacular coastal landscapes.

An Unforgettable Arctic Encounter

WHALE WATCHING EXPERIENCES

WINTER WHALE WATCHING FROM TROMSØ

- 1 WHALE WATCHING WITH MS GABRIELE**
A guided Arctic cruise searching for humpback whales and orcas as they gather in Northern Norway's fjords.
- 2 WHALE SAFARI WITH GUARANTEE**
Join an expert-led whale safari during the Polar Night and maximize your chances of spotting humpback whales and orcas.
- 3 SILENT WHALE WATCHING**
Observe whales from a quiet hybrid vessel designed to minimize disturbance to Arctic wildlife.

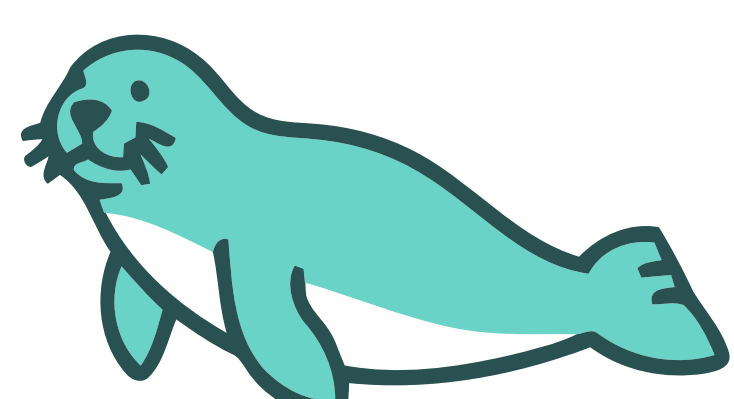

SUMMER WHALE WATCHING

WHALE WATCHING AT ANDENES

Travel from Svolvær to Andenes for an unforgettable Arctic whale safari, with opportunities to see sperm whales and orcas above the Arctic Circle.

WHY CHOOSE A WHALE WATCHING TOUR?

CLOSE ENCOUNTERS WITH ARCTIC WILDLIFE

Observe humpback whales, orcas and other marine species in their natural environment.

WORLD-CLASS WHALE WATCHING DESTINATIONS
