TRAVEL BY BUS

BETWEEN TROMSØ AND STORSLETT IN NORWAY

BEST ARCTIC

Explore the Arctic coast to Storslett

The road from Tromsø to Storslett follows the northern coast of Norway, linking small communities and Arctic landscapes along the way. The winter route passes through places such as Hatteng, Skibotn, Manndalen, Olderdalen and Spåkenes before reaching Storslett. It's a practical way to travel beyond Tromsø while leaving room to add a snowmobile trip, an overnight stay in a glass cabin or time in Reisa National Park.

WHY CHOOSE THE BUS BETWEEN TROMSØ AND STORSLETT?

DAILY WINTER DEPARTURES
Travel between Tromsø and Storslett throughout the winter season.

REACH MORE OF NORTHERN NORWAY
Connect with smaller communities along the coast, from Hatteng and Skibotn to Spåkenes and Storslett.

STAY UNDER THE NORTHERN LIGHTS
Choose accommodation in places such as Hatteng or Spåkenes where the darker winter skies create opportunities to look for the aurora.

CONTINUE TO REISA NATIONAL PARK
Use Storslett as a base for visiting the surrounding Reisa Valley and Reisa National Park.
